

Rally-O

Rally Obedience is the most relaxed canine sport. The focus of this class will be on having fun with your dog while fine tuning some basic obedience skills. A positive attitude and enthusiasm are required!

Rally Obedience is a canine sport in which the dog and handler move through a course of stations. Each station has a sign providing instructions regarding the skill that is to be completed. Unlike traditional obedience, handlers may talk to and praise their dog throughout the course, making it a great confidence builder for not only the handler but the dog as well. The versatility of the exercises that are learned have many applications in real life.

Course prerequisite is a Basic Obedience class or the ability to perform basic commands including heel, sit, down and stay. This class meets weekly for six one hour sessions beginning Friday May 15th.
