- * Become a link to our website
- * Visa & Master Card Accepted.

The *Bark Park* is a community-based facility which will provide programs and activities for all community members, from children, to senior citizens, to handicapped pet owners. Our purpose is to introduce the general public to the wonderful world of opportunity that exists for owner and pet to enjoy together, both educational and recreational canine sports and activities. We hope to help dog owners be better informed on issues surrounding the health and welfare of their pet. In addition, we are committed to providing a facility that will

allow both the elderly and handicapped dog owner an accessible place to exercise their companions. The dog owners will be able to socialize and exercise their dogs in a safe environment and enable their pets to legally run off-leash in designated areas.

The initial development of our facility will include three off-leash areas, all enclosed. All areas will be handicap accessible and elderly use friendly. The two designated areas, one for large dogs and one for small dogs, will also have benches, and large shade

areas. The third fenced in area will be devoted to dogs that need a separate area, and will also serve as an instructional space for educationally based training programs. The remaining 30+ acres will be available as optional leash areas. Cold running water is available on site as well as vending machines and adequate parking.

GRAND OPENING—SATURDAY APRIL 18, 2009 1:00—4:00 PM

OPENING DAY ACTIVITIES:

- Agility demonstration by Tamarack Dog Agility Club
- Reps from Crawford County Animal Response Team
- Paws Hand Delivered
- Membership Sign-Up
- Check out Special Services Listed On Our Information Board

ALL DOGS MUST BE ON A LEASH DURING OPENING DAY ACTIVITIES.

SPONSOR SPOTLIGHT...TAMARACK LAKE KENNEL CLUB

Tamarack Lake Kennel Club was founded in January 1979 by dedicated people with one common interest, the love of dogs.

As a club, they participate in local parades and public education demonstrations.

A group of club members even teach American Red

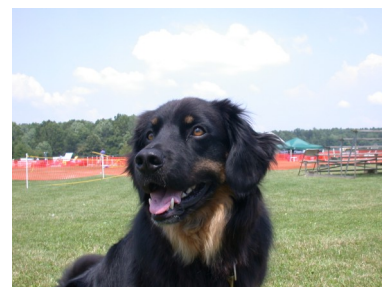

Cross Pet First Aid Classes. The club is also committed to hosting 3 AKC licensed agility trials every year as well.

There are many areas that members can be involved with their dogs. Dogs do not have to be purebred to participate in club activities.

Several of the members show their dogs in conformation, participate in rescue and are involved in agility, obedience, rally, herding, tracking, and hunting tests.

Meetings are held on the second Wednesday of the month, alternating between Franklin and Meadville.

BE A SPONSOR
